

Megane De Lucchi

STUDENT

A dedicated student specializing in International Communication and Media, I am currently advancing my knowledge at the esteemed Thomas More University of Applied Sciences. My passion for communication studies is matched only by my commitment to honing my social and creative abilities. Leveraging my complex personality and robust work ethic, I approach every task with the utmost enthusiasm and relentless motivation. My name is Megane, and I am excited about the possibility of applying my unique skill set in a professional setting.
